Para Guide

5 - 6 November 2021 | Yas Island
www.abudhabi.triathlon.org

Welcome

I am delighted to welcome you back for the World Triathlon Championship Series Abu Dhabi presented by Daman – the second stop on your 2022 World Triathlon Championship Series journey.

Alongside the usual elite races, we are also excited to add the World Triathlon Para Championship to this year's event schedule for the first time. As a country dedicated to inclusion, we simply could not pass on the opportunity to host some of the most inspirational elite para triathletes from around the world here in the Capital. I know that the past year and a half has been a challenging time for many of you, and I am delighted that we are able to offer you a stage to compete at the highest level here in the UAE.

I speak on behalf of the whole community when I say that we are very much looking forward to watching you all race on 5 November - especially following so many incredible performances at the Tokyo Olympic and Paralympic Games earlier this year.

And of course, the 2022 season will finish in style back here in Abu Dhabi in just under a year's time, as we prepare to host the World Triathlon Championship Finals 2022. The journey to hosting the Finals began 7 years ago, in 2014, when we had the opportunity to host the first and only World Triathlon Championship Series event in the Middle East. As preparations continue, and our community of triathlon enthusiasts across the region grows, it brings me great pride to see our vision become a reality.

I would like to take this opportunity to thank you – the athletes – for your continued commitment and dedication to excellence, and for showcasing that here in Abu Dhabi.

I would also like to extend my thanks to our family of sponsors and stakeholders who are fundamental to the success of this event – most notably our presenting partner Daman, the UAE Triathlon Federation, as well as Miral and Yas Island who have once again provided a world-class venue for this event. A final thanks goes to our team of fantastic volunteers without whose support, the event would not be possible.

To each and every athlete toeing the line this weekend – good luck, race well, be safe and enjoy the experience!

HE Aref Al Awani
General Secretary,

Welcome

Greetings and a warm welcome to the 2021 World Triathlon Championship Series and World Triathlon Para Championships Abu Dhabi.

It is a great pleasure to be back in Abu Dhabi for a sixth year with the World Triathlon Championship Series and to finish what has been such a momentous season in this spectacular venue. Olympic and World Champions past and present will take to the start line knowing that, in 12 months' time, it is on this very course that the next world champions of our sport will be crowned.

It was just ahead of our 2020 event here that the world was blown off course for the 18 months that has followed, which makes it all the more special to be able to close out this season like no other here on Yas Island, just as we will next year when Abu Dhabi hosts the Championship Finals.

We have seen brilliant racing and superb organisation here over the years and it is thanks to the hard work and commitment of the LOC and Abu Dhabi Sports Council that we are also able to stage the 2021 World Triathlon Para Championships, following their cancellation earlier this year with Italy unable to host the event.

Outstanding host cities like this allow World Triathlon to continue to be able to grow the sport, and we are grateful for the opportunity to hold events of this calibre in the Middle East, helping to ensure the races that the athletes deserve and develop triathlon around the globe in both profile and participation. Crowning the World Champions of para triathlon here will only further that progress and we look forward to more of the incredible action we witnessed from the very best in the sport during Tokyo 2020.

The vibrant city of Abu Dhabi and its iconic Yas Island venue provide a superb backdrop for all these events during a thrilling weekend of family-friendly sport for the community. After all, triathlon is a sport for everybody, regardless of age or gender.

I would like to thank our partners at Abu Dhabi Sports Council for their continued support and dedication to growing the sport of triathlon. Thank you to all of the Local Organising Committee members, the UAE Triathlon Federation, sponsors Daman, the volunteers and the city of Abu Dhabi for their help in putting this weekend together.

Good luck to all the athletes in reaching their goals and I hope everyone will enjoy the spectacle of another World Triathlon Championship Series Abu Dhabi.

Yours in sport,

Marisol Casado
World Triathlon President
IOC Member

Accreditation

The LOC will provide all athlete, coaches, technical officials, journalists etc. with an official accreditation card according to the World Triathlon Event Operational and Technical Requirements.

Accreditation cards for the athletes and coaches will need to be collected in person on Wednesday night at the Yas Island Rotana Hotel between 17:00 - 19:00.

Only accredited people will be allowed to access certain venue areas. Accreditation cards are number-coded and provide access to specific areas of the competition areas. All accredited persons are requested to always carry their accreditation cards with them and to show them upon request.

If accreditations are not picked up at the time given above, it will be distributed at the race package distribution.

Security

YMC Security will be responsible for the venue security and Field of Play Crossings (FOP) inside Yas Marina Circuit. Marshals will assist and patrol around the Field of Play on race days and traffic management services will be needed on internal roadways at Yas Marina Circuit for any course use / crossings of these internal roadways.

Competition Information

Competition Rules

The race will follow the latest published competition rules of the World Triathlon and Para Triathlon World Championships.

General Rules at Competition Site

It is obligated to use face masks and keep distance due to organizers and World Triathlon hygienic concept at all time during competition days at the venue. The only exception for athletes is the immediate competition time starting with the access to the start pontoon, ending with the access to Athletes Lounge after finish.

YMC have enhanced all activities at the circuit to operate under a number of Government agreed guidelines. Participants are to abide by the following directives around Yas Marina Circuit.

- Temperature checks will be carried out on entry to the circuit.
- Face masks to be worn at all times unless on the track itself.
- Participants must maintain social distancing at all times.
- AL HOSN APP - "GREEN PASS" In line with government directives, only visitors, customers and clients who can present the green pass on their Alhosn app will be able to access Yas Marina Circuit.

In addition to this there are the following specifications:

Wheel stations:

- At the neutral wheel stations, all wheels will be disinfected before being delivered to the specific locations. An athlete in need of a spare wheel will be directed by the TO to the proper wheel which can be picked up by the athlete.
- At the team wheel station, the volunteers and TOs present at that location must not have any contact with the team wheels. The team representatives are responsible for disinfecting the wheels prior to depositing them at the wheel station. An athlete in need of a spare wheel will be directed by the TO to the proper wheel which can be picked up by the athlete. In both cases, the wheel that is left behind by the athlete will be disinfected by the TO before being deposited at the station.
- Technical officials will wear masks/mouth-nose face covering and rubber / disposable gloves

Finish Area:

- Timing chip removal must be done by the athlete, who must deposit the timing chip to a specific bin close to the exit of the post-finish area.
- Medallist photo at the post-finish area is not allowed.
- All recovery stations will be self-served.
- Food provided will be individually wrapped.
- Massage facilities will not be provided.
- Athletes must avoid lying or sitting down on the blue carpet (without any medical need/problems). A minimum number of volunteers will be available to support the athletes and make sure that the athletes are not congregating at the post finish area. These volunteers will wear rubber/disposable gloves and masks/mouth-nose face covering.
- Masks will be distributed to the athletes to wear at their earliest convenience.

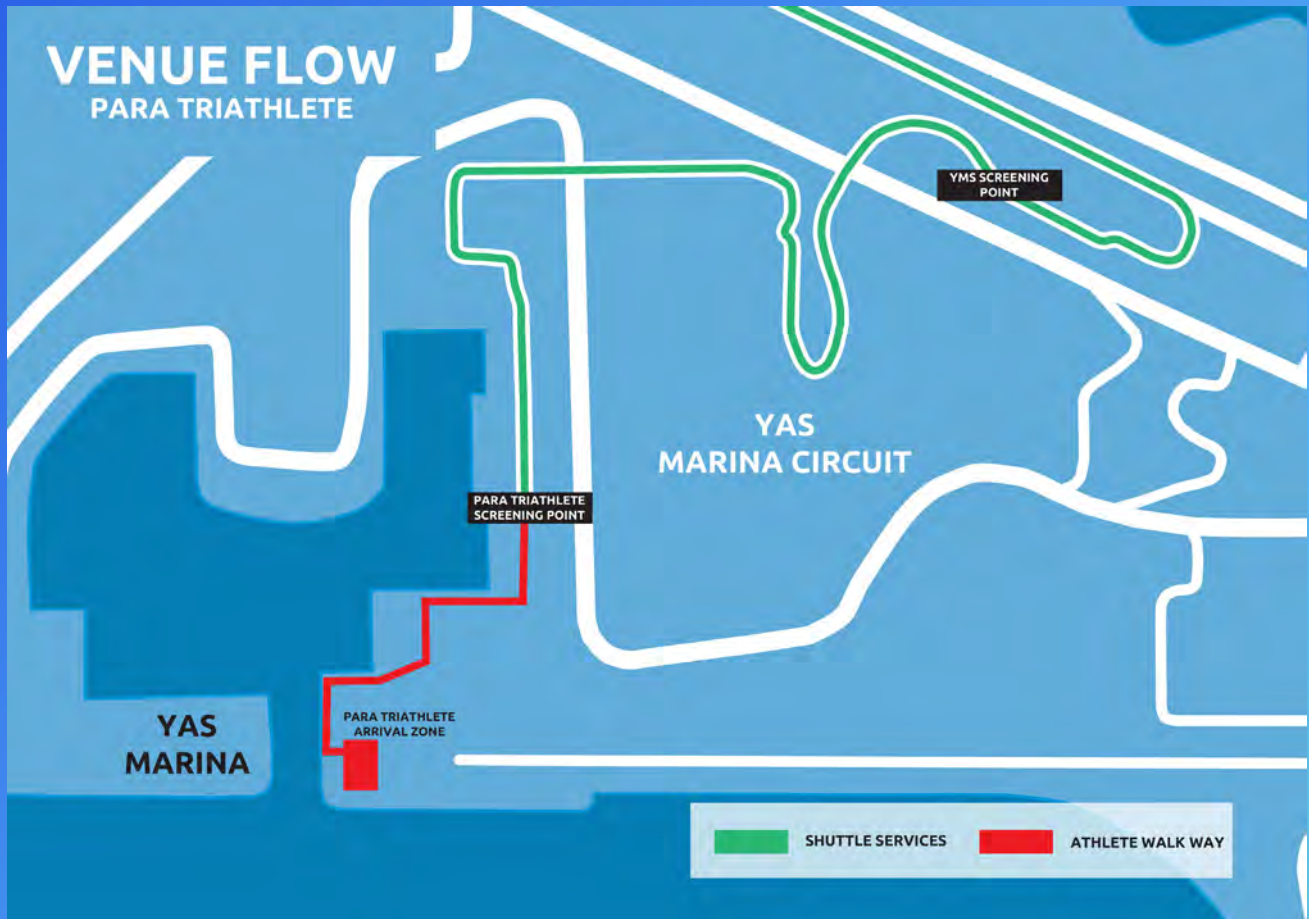

Swim Warm-Up:

Masks must be worn until accessing the water. After warming up, masks will be provided to wear until the start of competition.

Medal Ceremonies:

Medal ceremonies will be performed according to the COVID-19 guidelines for medal ceremonies that can be found on the World Triathlon COVID-19 Guidelines for Event Organizers.

Wayfinding Route – From West Gate Entrance

Race Course

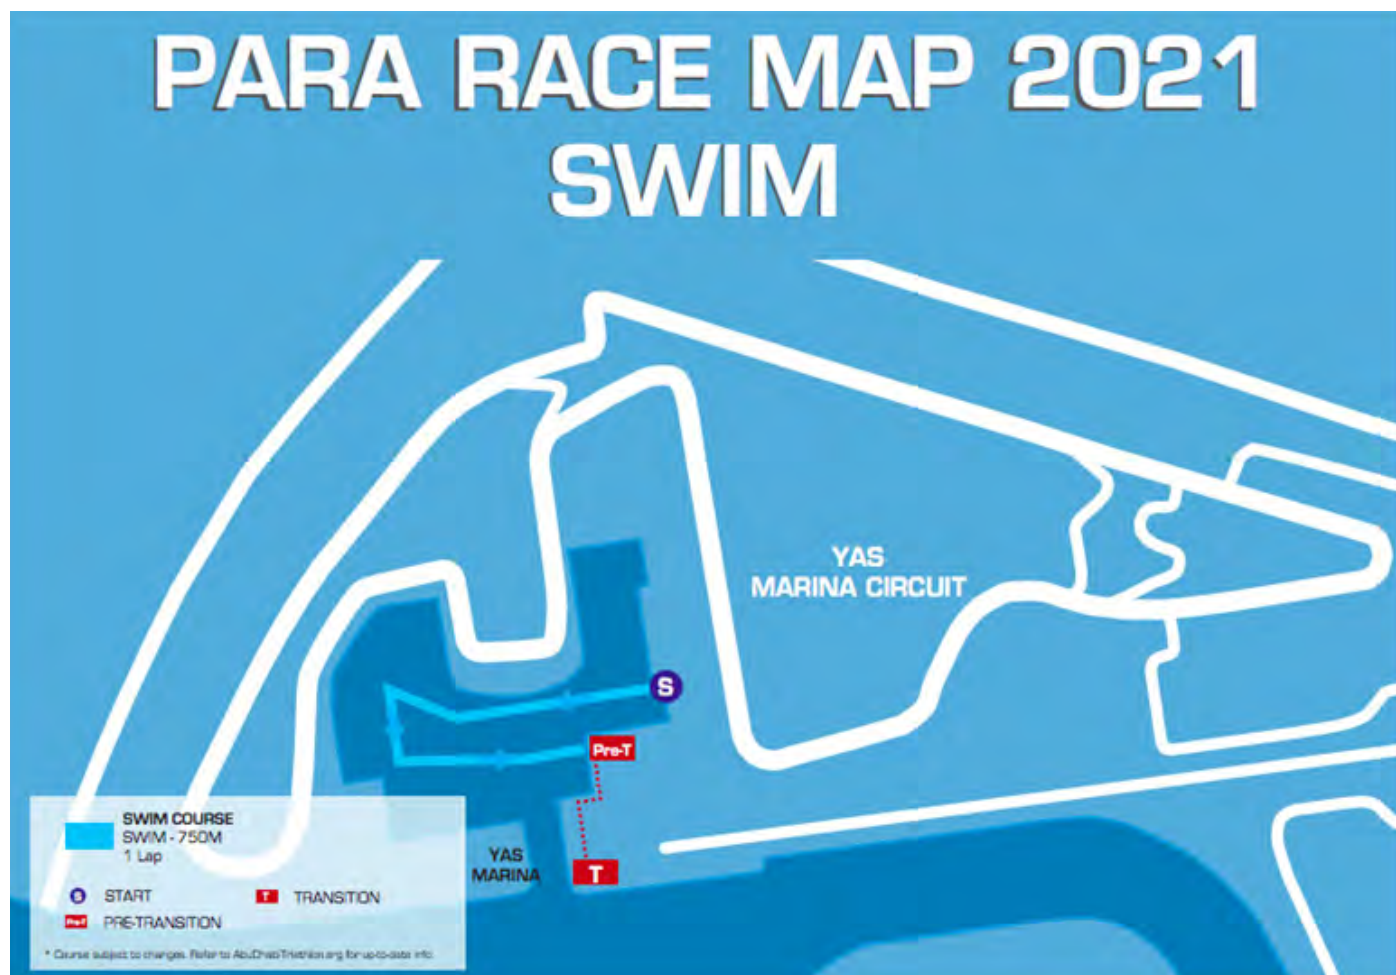

Start

- The swim will take place within Yas Marina, starting in front of the Villas, a short walk from the race village.
- Athletes will start in the water (wet start) in front of the pontoon.
- The Head Referee with the assistance of World Triathlon Technical Officials, who are assigned to the start, will start the Swim Course.
- Athletes are required to leave their last-minute gear at the swim start inside a dedicated box and the LOC will carry those bags back to the Athletes' Lounge.

Swim Course

- The swim start in front of the pontoon (wet start).
- The course will comprise of 1 lap of 750m in an anti-clockwise direction. The course will be marked with Orange and Red buoys. Athletes will pass Orange buoys on their LEFT side, and Red buoys on their RIGHT.
- The exit ramp will take the athletes up to the race village and transition.
- The average water temperature at this time of the year is approximately between 26 – 30 degrees Celsius.

Bike Course

- The cycle course exits the Race Village, joining Yas Circuit at the top and follows in a clockwise direction for 2.7km round to the Race School.
- The athletes will then complete 4 laps of 4.8km, on Yas Marina Circuit.
- At the end of 4 laps Athletes will exit via the pit lane back to the Race Village and transition.

Wheel Stations

There are two wheel stations on the course. You can leave your wheels at the team wheel stations.

There is also a wheel station for PTWC athletes located on the Run course at the Aid Station close to the Race. The wheels will be collected from the athletes' lounge and be transferred by the LOC to the team wheel stations and be returned back to the recovery area.

Village (in case of a puncture to a race wheelchair).

Penalty Box

The Bike penalty box is located just before exiting the Yas Marina circuit near the Race School (you pass this 6 times on the bike).

The Run penalty box is situated 20 meters before the entrance to the Transition / Finish area

Run Course

- Consists of 3 laps in a clockwise direction. Athletes exit the transition through the race village and run up the road past Shams Tower doing a U-turn half way up the drag strip, and return along the road parallel to the drag strip, back to the Race Village and transition.
- At the end of lap 3 the athletes turn right onto the blue carpet in the finish chute immediately before transition and finish in front of the Grand Stands.
- The VI free leading zones will be presented to all athletes at the race briefing.

Aid Stations

There are three aid stations located on the run course, with Aid markers.

Protests and Appeals

Standard procedures will be followed according to the World Triathlon Competition Rules.

Results

Results will be uploaded live to the World Triathlon's official website: www.triathlon.org. All the results information will be distributed to the Team Leaders at the LOC Information Office.

Water Quality Analysis

Water Quality Analysis – E.Coli

Date of Sample	Location A	Location B	Location C	E.Coli limit (NMP/100mL)
14/09/2021	Not detected	Not detected	Not detected	<250

Water Quality Analysis – Enterococci

Date of Sample	Location A	Location B	Location C	Enterococci limit (NMP/100mL)
14/09/2021	Not detected	Not detected	Not detected	<100

Water Quality Analysis – Ph

Date of Sample	Location A	Location B	Location C	PH limit
14/09/2021	7.9	7.9	7.9	6 to 9-

Summary

The water quality tests meet World Triathlon standards.
