

The ITU World Triathlon Bermuda is a new sporting event coming to the island for 3 years starting in 2018. Taking place annually in Hamilton, the event will be open to everyone young and old to race with friends, family, colleagues and international visitors. Spectators have an opportunity to watch World Champion Flora Duffy in action and enjoy the entertainment and festivities on Front Street from Thursday 26 April to Saturday 28 April 2018. More details on the event can be found at [www.tribermuda.com](http://www.tribermuda.com).

WTSBDA Ltd. the entity behind the event is requesting proposals from local suppliers in Bermuda to fulfil certain aspects of the event. All available RFP's can be found at [www.tribermuda.com/rfp](http://www.tribermuda.com/rfp). In order to be considered, please submit your response via the form provided on that website by the date indicated.

Thank you and we look forward to receiving your proposal!
