- 1 PUBLIC CAR PARK**
If arriving by car, you have access to the FREE competitor car park which is open on both Saturday and Sunday.
- 2 SHUTTLE BUS**
A dedicated, regular shuttle bus service will run between Roundhay Park and Leeds City Centre. Unfortunately, these buses are unable to transport bikes. The shuttle bus will run at regular intervals, with increased frequency at peak times.
- 3 EVENT VILLAGE**
The event village is host to registration and our expo. All athletes will register here on Saturday 8 June, with times to be released closer to the event. There are limited number of registration slots on Sunday available to purchase.

Forgot some kit? Don't worry our expo will have what you need to take the pressure off on race day.

- 4 BAG DROPS**
You have the option to securely leave two bags of clothing/personal belongings.

 - 1. City Centre Finish Line Bag**

 - Leave this bag in Roundhay Park when you register. And can be collected upon completion of the race.
 - In this bag we recommend you put warm, dry clothes and any other belongings you may need once you have finished your race.
 - 2. Roundhay Park Bag**

 - You can leave a bag in transition prior to your race start.
 - In this bag we suggest you leave anything you have brought to Roundhay Park but do not need to race.
 - After you finish, you can collect this bag back at Roundhay Park when you collect your bike from transition.
- 5 TRANSITIONS**
Both transitions 1 (swim to bike) and 2 (bike to run) are located here and all athletes rack their bikes on Saturday after registration.
