

Dear resident

AJ Bell 2021 World Triathlon Leeds, Sat 5th – Sun 6th June

We wrote to you in March to let you know about the AJ Bell 2021 World Triathlon Leeds and the road closures that will affect you. This letter is to remind you about these closures and how to plan ahead so that you can reduce any interruption to your normal day and enjoy the event.

ROAD CLOSED

Wetherby Road will be closed on **Friday 4 June between 9.30am – 11.00am** and on **Saturday 5 June between 1.00pm and 5.00pm**.

Pedestrian access will be available to properties but if you need to use your car during the above times, please ensure you have moved it before the road closes. If you usually park your car on the street, please find an alternative location that is not on the route. Unfortunately, any cars parked on roads that are part of the route during the dates and times highlighted above will be towed away.

We want to help you plan for any interruption to your normal day so that you remember the AJ Bell 2021 World Triathlon Leeds for all the right reasons and enjoy the events over the weekend. If vehicular access to your property is essential during the above times or if you have any other concerns about these arrangements please email worldtriathlonleeds@leeds.gov.uk or call 0113 222 4444 with the details of your request and someone will get in touch to discuss any options available.

To plan ahead for this road closure and minimise any interruption to your normal day, please can you:

- read the Frequently Asked Questions overleaf
- use online map for full details of road closures, at leeds.triathlon.org/event-information/local-information/
- check changes to public transport timetables closer to the event on Metro's website wymetro.com

I understand this event may cause you some inconvenience, but be assured the council and event organisers are working very hard with many partners to minimise disruption.

Yours faithfully

Martin Farrington
Director of City Development, Leeds City Council
