WELCOME MESSAGES

WORLD TRIATHLON

Greetings and a warm welcome to the 2022 Groupe Copley World Triathlon Para Series Montreal.

It is always a pleasure to return to the wonderful setting of Montreal, a city with a rich sporting history that first held our World Championships back in 1999, before returning to host elite international triathlon in 2016.

The famous Parc Jean Drapeau, a great legacy of the 1976 Olympic Games and home of the Montreal Formula 1 circuit, provides the ideal setting for this second stage of the 2022 Para Series, with six male and six female medal events across all categories.

The athletes will take to the Bassin Olympique for the 750m swim before five bike laps of the Gilles-Villeneuve race track, and concluding with a one-lap run round the edge of the lake, giving the athletes an iconic setting in which to race.

After its spectacular debut back in 2019, Montreal will be the second stop of the top-tier Para Series this year, following on from WTPS Yokohama and ahead of WTPS Swansea, before the world's best para triathletes head to Abu Dhabi for the World Championships in November.

I would like to extend my thanks to the Local Organising Committee, Triathlon Canada, Sport Canada, the Quebec government as well as the city and people of Montréal for once again showing their passion for our sport, delivering another magnificent event and a great racing opportunity here in this celebrated Canadian city for our para triathletes, helping our wonderful sport to continue to flourish here.

Finally, I want to wish all the athletes the best of luck in achieving their goals this weekend. For any newcomers to Montreal, you are in for an incredible experience here, and I urge you all to explore and enjoy the city to the fullest as it hosts the spectacle of World Triathlon racing.

Sincerely,

Marisol Casado

GOVERNEMENT DU QUÉBEC

Bienvenue à la deuxième édition montréalaise de la Série mondiale de paratriathlon! Cette année, vous êtes 80 para-athlètes à vous disputer la victoire lors de cette épreuve hors du commun. Je souhaite à chacun d'entre vous la meilleure des courses possible.

Je vous invite également à profiter des joies de Montréal pendant votre séjour et à parler de votre intérêt pour votre sport au plus grand nombre. Vous êtes assurément des modèles très inspirants pour plusieurs d'entre nous et votre exemple peut changer la vie des gens.

Je remercie sincèrement toutes les personnes qui ont participé à l'organisation du paratriathlon de Montréal. Merci aussi aux officiels, entraîneurs, accompagnateurs et bénévoles, sans qui cet événement ne pourrait connaître le succès auquel il est promis.

Bonne course!

Welcome to the second Montreal edition of the World Triathlon Para Series! This year, 80 para-athletes will be competing for victory in this extraordinary event. I wish each and every one of you the best possible race.

I also invite you to enjoy Montreal during your stay and to tell as many people as possible about your interest in your sport. You are certainly inspiring role models for many of us and your example can change people's lives.

I sincerely thank all the people who participated in the organization of the Montreal Paratriathlon. Thank you also to the officials, coaches, chaperones and volunteers, without whom this event could not be the success it was promised to be.

Have a great race!

VILLE DE MONTRÉAL / CITY OF MONTRÉAL

La Ville de Montréal est heureuse d'accueillir, le 8 juillet, la deuxième étape des Séries mondiales de paratriathlon. La métropole est également fière d'être l'une des trois villes, dans le monde, à tenir une étape de cette Série, avec Yokohama, au Japon, et Swansea, en Grande-Bretagne.

En tant que ville olympique, Montréal est reconnue comme ville sportive par excellence. Cette compétition lui permettra, une fois de plus, de démontrer tous ses talents et ses atouts dans l'accueil d'événements sportifs inclusifs de grande envergure. C'est donc un honneur pour la Ville d'accueillir les athlètes, leurs entraîneurs, ainsi que les officiels.

Les athlètes d'exception qui participent à cette Série représentent des modèles pour toutes et tous, incluant nos jeunes qui aspirent à se dépasser et à exceller dans toutes les facettes de leur vie.

Merci à toute l'équipe de Triathlon International de Montréal pour l'organisation de cet événement, ainsi qu'aux nombreuses et nombreux bénévoles.

À la nage, à vélo ou à la course, c'est un rendez-vous au parc Jean-Drapeau!

The city of Montréal is pleased to host the second stage of the World Triathlon Para Series on July 8th. The city is also proud to be one of three cities in the world to host a stage of this series, along with Yokohama, Japan, and Swansea, Great Britain.

As an Olympic city, Montréal is recognized as a sports venue par excellence. This competition will allow it, once again, to demonstrate all its talents and assets in hosting large-scale inclusive sports events. It is therefore an honour for the city to welcome athletes, their coaches and officials.

The exceptional athletes who participate in this series are role models for everyone, including our youth who aspire to excel in all facets of their lives.

Thank you to the entire Montréal International Triathlon team for organizing this event, as well as to the many volunteers.

Swim, bike or run, it's a rendez-vous at Parc Jean-Drapeau!

The purpose of the Athlete's Guide is to ensure that Elite athletes are well informed of information regarding the 2022 World Triathlon Para Series Montreal.

Please keep in mind that some information may change and the final race information will be provided to the athletes at the athletes briefing.

You are encouraged to ask the technical question regarding your race during the online pre race briefing where the World Triathlon Technical Delegate (TD) will inform you on all race procedures, course routes and race specific situations. The briefing will be recorded and available at https://triathlon.org/about/downloads/category/race_briefings.

ENVIRONMENTAL SUSTAINABILITY AT GROUPE COPLEY WORLD TRIATHLON

Triathlon is a sport that benefits from having pristine natural environments such as rivers, lakes, parks, oceans, forests and open countryside in which to swim, bike and run. We believe in the importance of protecting our natural environment and that our actions can contribute to the health of the planet and a reduction in climate change. It is for these reasons that we want all persons involved in this event to participate in our sustainability efforts. Together we can make a significant impact and improve our natural environment.

At this year's World Championship event the Triathlon Mondial Groupe Copley wants to lead by example with our multiple sustainability initiatives. Some of our efforts will be visible to you and others will be behind the scenes, however we are committed to informing you of all of our sustainability actions related to the triathlon. Please follow our announcements on how you can do your part, as well as our reports on all actions taken to protect our planet. Here are some details on how you can participate and on our efforts thus far.

WE ASK ALL PARTICIPANTS TO:

REDUCE YOUR CARBON EMISSIONS

- Whether you come from far, very far, or very very far away, we invite you to offset the greenhouse gas emissions related to your trip.
- Promote public transit, carpooling, or any other sustainable transportation when you travel.
- Use the event mobile website instead of printed brochures.

RECYCLE AND COMPOST

- Sort your waste appropriately at waste stations at the race venue.
- Reduce at the source and question yourself before each action to reduce consumption of resources.

REDUCE PLASTIC CONSUMPTION

- To reduce the amount of waste generated by the event, we strongly encourage you to use and re-use the Specialized water bottle that will be given to you at registration.
- Prioritize the water stations that will be set up on-site to fill your reusable bottles.

MAINTAIN AN EXEMPLARY LEVEL OF CLEANLINESS

- Do not litter on the race course or at the race venue.
- Learn about our efforts in terms of sustainable development and the common goal we have to reduce our ecological footprint.
- Raise awareness among those around you.

OUR COMMITMENT

We believe that everyone needs to contribute to caring for our environment, therefore we will be transparent with you concerning our operations and several behind-the-scenes initiatives to integrate an exemplary level of environmental sustainability. We want to guide and support you towards the adoption of the best sustainable practices because we strongly believe in the alliance of sport, environment and culture.

Please visit our website to read about our sustainable development policy and our eco-responsibility action plans. The Groupe Copley World Triathlon will hold the certification "EcoTQ Gold" based on the eco-responsible certification of our provincial federation Triathlon Quebec and we will also follow the eco-responsible standards of the World Triathlon Sustainability initiatives.

To massively reduce the number of printed resources for spectators and participants, we encourage you to visit our website regularly; it will be your primary source of information throughout your Groupe Copley World Triathlon experience! If you have any questions about our commitment to eco-responsibility and sustainable development, do not hesitate to contact our team; we will be happy to receive your feedback and answer your questions (eco@triathlonmontreal.com).

GENERAL INFORMATION

REGISTRATION

National Federations will register their Elite athletes, coaches and medical staff using the World Triathlon online system.

ACCREDITATION

Elite Athletes, coaches and medical will pick up their accreditation on Thursday July 7th on the venue.

All accreditation requests for sport delegations must be submitted through their National Federations.

Vest will be distributed to Personal Handlers at the same time. Personal Handlers accompanying athletes need to present an ID in order to receive a vest. The ID will be given back at the end of the races when the vest is returned.

COVID-19

In Quebec, the vaccination passport is no longer required to access a place or to do an activity, except for travel within and outside Canada, by train, plane or cruise ship. Wearing a mask or face covering that covers the nose to under the chin is mandatory on public transit (buses, the subway, ferries, taxis, car services, etc.).

Measures in Force

The Quebec government has lifted most of the public health measures associated with the COVID-19 pandemic. For more information:

Travellers are eligible to enter or return to Canada if they qualify as a fully vaccinated traveller. For

more information about the requirements to travel to Canada: <https://travel.gc.ca/travel-covid/travel-restrictions/covid-vaccinated-travellers-entering-canada>

Covid testing

If you need to provide a Covid test before flying back home, here are some providers, as well as private clinics who provide Covid testing:

– Virtual Rapid Antigen Testing:

– Antigen & PCR Testing:

IMPORTANT COVID-19 REQUIREMENT

All elite athletes along with the support staff applying for accreditation must respect the following pre-event Covid-19 screening conditions:

- Fill in the online pre-event questionnaire. World Triathlon has developed an online tool for the World Triathlon pre-event Covid-19 screening process. Please follow the instructions below based on your role at the event to learn how to submit the questionnaire and upload the necessary documents: https://triathlon.org/pre_event_covid_19_screening_guide.
- We will continue to respect the decision/rules of the local public health of the host country.

VISAS

You will find the document (s) you need to travel to Quebec, Canada by using [this link](#). Most competitors will require either a Visitors Visa or an Electronic Travel Authorization. The entry document that you will need depends on:

- The type of travel document you plan to travel with;
- The country that issued your travel document;
- Your nationality;
- Your method of travel to Canada for this trip.

[Find out if you need a visitor visa or an ETA.](#)

If you require a written letter to assist with your Visa application, please contact your national federation.

LANGUAGE

The official language of Quebec is French, however Montréal is a bilingual city where 57.4% of the population speaks both English and French.

TIME ZONE

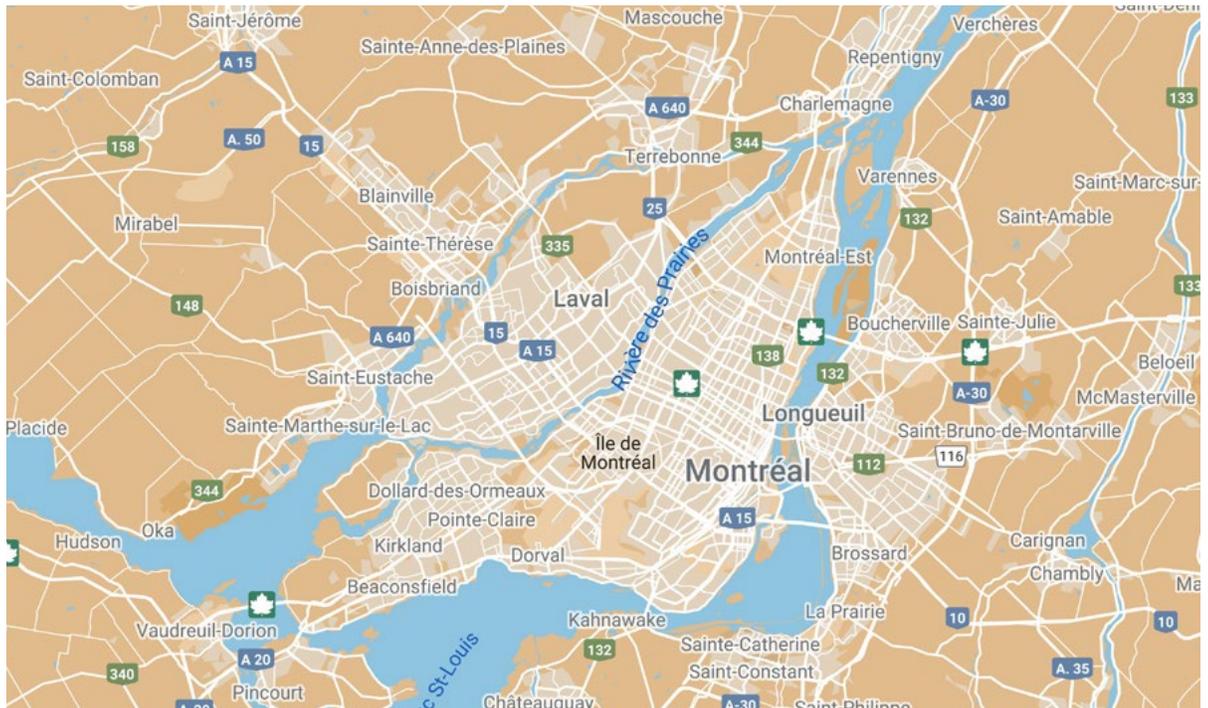

The local time-zone is Eastern Time (ET), which is 5 hours behind Coordinated Universal Time (UTC).

CITY OF MONTREAL

After two years without a World Para Championship Series in Montreal, we know you can't wait to line up at the start line and compete against athletes from around the world, but Montreal has so much more to offer. The city has a population of 1,762,949 making it the second-largest city in Canada. The wealth of its cultural life is exceptional. Montreal has hosted multiple international conferences and events, including the 1967 International and Universal Exposition and the 1976 Summer Olympics. It is the only Canadian

city to have held the Summer Olympics Games. The city hosts the Canadian Grand Prix of Formula One since 1978, as well as the largest jazz festival in the world – the Montreal International Jazz Festival, the largest comedy festival in the world – the Just for Laughs festival, and the largest event devoted exclusively to French-language music anywhere in the world – Les Francofolies de Montréal. We are also home to the ice hockey team with the most Stanley Cup wins, the Montréal Canadiens.

TRAINING

If you arrive early to enjoy Montreal and its famous poutine, but you don't want this to affect your fitness level you will need to access the training facilities! Here are the training spaces we have reserved for you as well as some of the most popular places in Montreal for you to discover during your training sessions.

GYM TRAINING

A legacy from the 1976 Summer Olympics, this sports center located near the Olympic Basin at the Parc Jean Drapeau will allow you to train in high quality facilities.

Location

Quartier des athlètes
140 Chemin du Chenal le Moyne,
Montréal, QC H3C 6J6

<https://www.parcjeandrapeau.com/en/athletes-quarters-olympic-basin-montreal/>

- 20 min by bike from the host hotel via the Concorde bridge
- 23 min by bike from the host hotel via the Jacques Cartier bridge
- Access via the yellow line of the metro, “Jean Drapeau” exit

There will be bike racks for athletes' bikes outside the pool. However, the LOC does not provide any security, we suggest that athletes bring their own padlocks.

Session times

Monday 4th 7:00–11:00

Tuesday 5th 7:00–11:00

SWIM TRAINING & FAMILIARIZATION

SWIM FAMILIARIZATION

You will be able to familiarize with the swim course on Thursday, July 7th from 10:00 to 10:45 (all athletes together) directly in the Olympic Basin. Athletes must bring their accreditation and report to the Athletes Lounge in order to participate in the familiarization. Lifeguards and medical services will be available on site. You will only be allowed to swim in the direction of the course and must exit at the swim exit. A bike rack will be provided near the athletes' lounges.

N.B. For safety reasons, it is forbidden to swim in this area outside of the swim familiarization times.

SWIM FACILITIES FOR TRAINING

OUTDOOR POOL

EXTRÊMEMENT MONTRÉAL

Un événement sportif international qui accueille tant les amateurs que les meilleurs athlètes du monde, pour parcourir Montréal à la nage, à vélo et à la course.

BIKE TRAINING & FAMILIARIZATION

BIKE FAMILIARIZATION

A bike training familiarization is provided by the LOC on Thursday July 7th from 08:30 to 09:00 (PTS/PTVI) and 9:15 to 9:45 (PTWC).

Meeting point in the Transition area.

RECOMMENDED BIKE TRAINING ROUTES

Circuit Gilles-Villeneuve

It will be possible to train on the Circuit Gilles-Villeneuve. Situated in Parc Jean Drapeau the Circuit Gilles-Villeneuve, or the "Circuit", as it is affectionately called, is a short distance from the Complexe Aquatique. The track is a 4.4 km asphalt loop that is also used for the Montreal Formula 1 (that takes place three weeks before the paratriathlon event). Training on the Circuit is free. It will be possible to train on the Circuit from 06:00 to 22:00. The KOM is held by Montreal pro cyclist James Picolli at over 51 kph for a single circuit (Segment Strava). However, in the 2019 Montreal Grand Prix, Valteri Bottas had the fastest lap at 216 kph!

When: Monday to Friday from 6:00 - 22:00

For sure, the Circuit will be closed on Thursday, July 7th from 08:00-10:00 for the WPCS bike familiarization and on Friday, July 8th from 07:00-10:00 for the WPCS race.

Cost: free, it is a public space open to all.

La Petite Voie du Fleuve et la Route Verte

"La Petite Voie Maritime" is a 14 km long magnificent strip of land with no vehicular traffic. You can access this cycle path via "Île des Soeurs" and the "Estacade du Pont Champlain"

<https://www.parcjeandrapeau.com/en/south-shore-bike-link-route-verte-montreal/>

[Segment Strava](#)

You can also get some miles in using some of our many bike friendly paths and routes accessible from downtown Montreal, like "La Petite Voie du Fleuve", and the extensive network of paths collectively known as "La Route Verte". The Route Verte is a 5,300 km long trail network across Quebec. If you are staying in town after the event and want to explore more of Quebec by bicycle, you can find more information at <http://www.routeverte.com>.

N.B. There is no official route for bike training and these routes are not closed to traffic. It should be noted that you are cycling at your own risk and responsibility, and please be in accordance with Quebec's road traffic laws.

RUN TRAINING & FAMILIARIZATION

RUN FAMILIARIZATION

There is a run familiarization provided by the LOC on Thursday July 7th from 08: 30 to 09: 00 for PTWC athletes and from 09: 15 to 09: 45 for PTS and PTVI athletes.

RECOMMENDED RUN TRAINING ROUTES

Olympic Rowing Basin

The Olympic Rowing Basin in Parc Jean Drapeau is a legacy from the 1976 Summer Olympics. A paved path around the basin is the perfect place to train for a run with a flat 4.6 km loop. As the Formula 1 event will be tearing down the race site on the Gilles Villeneuve track, please be careful when training around the Rowing Basin. The KOM is held by Canadian Elite middle distance runner Jonathan Tedeschi at a 3 minute/km pace ([Segment Strava](#)).

WATER QUALITY

WATER TEMPERATURE

Water temperature in July: about 24°C (75.2°F).

WATER QUALITY

The 2022 World Triathlon Para Series Montreal is governed by the highest swimming water quality standards of World Triathlon, the international triathlon federation. These have been established in accordance with World Health Organization (WHO) and European public health standards. And good news! Parc Jean Drapeau Olympic Basin water meets all these requirements with flying colors.

Water quality tests to be submitted to World Triathlon:

- Two (2) months before the competition;
- Seven (7) days before the competition;
- The first day of the competition.

Additional tests may be conducted at the request of the International Federation Technical Delegate in conjunction with the results previously obtained. If the water quality tests show values outside the stated tolerance limits, World Triathlon will cancel the swim portion, unless the World Triathlon Medical and Anti-Doping Committee indicates otherwise.

Here are the results of the tests done on May 12th, 2022. Next tests will be done in July 2022.

The water quality is normally excellent. As of April 26th, the water analysis results for 3 main factors of water quality were:

- Faecal enterococcus from 0 to 28 CFU/100 mL
- *Escherichia coli* 0 CFU/100 mL for all samples
- pH from 6.6 to 6.9

The Group Copley World Triathlon team is available at all times to answer your questions regarding water quality. Do not hesitate to contact us at:

BIKE PENALTY BOX

The Bike penalty box is located at the end of the bike lap. You will pass five (5) times in front of it. Standard World Triathlon procedures apply for the bike penalty box.

RUN COURSE

The WPCS run course takes place on the Circuit Gilles Villeneuve and the path alongside the Olympic Basin. Athletes will exit transition toward the north side of the basin, enter on the circuit through a gate on the hairpin. The run loop follows the CGV westwards to the pit-lane, where the athletes will take two left turns to follow the path on the north side of the Olympic Basin to a turnaround at the run penalty box. Here they will take two left turns to go back on the CGV and repeat the loop. As the athletes reach the penalty box a second time they will go straight ahead to the finish line in front of the Grandstands on the north side of the rowing basin. There are four (4) free leading zones on the run course, two aid stations and a team wheel stop for PTWC. Total run distance is 5km.

AID STATIONS

There are two aid stations on the run course:

- Station 1 is located at 200 m from Transition Area.
- Station 2 is in between the CGV and the run path and can be accessed from both sides. It will be accessed at:
 - 1.1 km
 - 2.3 km
 - 3.0 km
 - 4.1 km

The LOC will provide sealed water bottles for Elite athletes.

RUN PENALTY BOX

There is a single run penalty box, located at the turnaround at the end of the run loop before the loop/finish split, at approximately 2.5 km into the run. It will be passed on both run laps.

RUN TEAM WHEEL STATION

A single wheel station for handcycles is provided on the run loop. It is co-located with the Aid Station 2 and can be accessed on both sides.
