Dear Sir/Madam

**ACCENTURE WORLD TRIATHLON MIXED RELAY NOTTINGHAM
VICTORIA EMBANKMENT
THURSDAY 7 JUNE**

I write to inform you of the arrangements for the new triathlon event happening on Victoria Embankment this June.

The event will feature a novice triathlon, a schools engagement activity, and an elite triathlon featuring 18 teams of the world's best triathletes. The event is FREE to watch along the route, and local people are encouraged to come down and enjoy the activities and racing.

The elite triathlon swim section will take place in the River Trent between Trent Bridge and the Suspension Bridge. To ensure competitor safety, this section of the river will be closed to all water craft between **0900 and 2000**, during this period we ask that your members do not attempt to enter this section of the river. The river downstream from Trent Bridge remains open as normal.

The closure is in place with the kind permission of the Canals & Rivers Trust.

Should you have any concerns, or have any special access requirements please do not hesitate to contact Nottingham City Council. For more information visit the event website **nottingham.com.triathlon.org**.

We apologise for any inconvenience over the event period and thank you in advance for your support and cooperation.

The event promises to be a fantastic spectacle, and we do hope that you would consider coming down and enjoying the action.

Yours faithfully

John Muddeman
