IMPORTANT RE: Accenture World Triathlon Mixed Relay

March 2018

Dear Sir/Madam

**ACCENTURE WORLD TRIATHLON MIXED RELAY NOTTINGHAM
VICTORIA EMBANKMENT
THURSDAY 7 JUNE 2018**

I write to inform you of the arrangements for the triathlon event happening on Victoria Embankment this June.

The event will feature a novice triathlon, a schools engagement activity, and an elite triathlon featuring 18 teams of the world's best triathletes. The event is FREE to watch along the route, and local people are encouraged to come down and enjoy the activities and racing.

As with an event of this nature, there will be road closures and traffic restrictions to ensure the safety of participants and spectators. Every effort is made to ensure the impact on local residents is kept to a minimum, and we can assure residents that the emergency services will still have full access to carry out their duties should they be needed. Access to all residential properties will be maintained at all times.

On the reverse of this letter is a course map and a list of the closures and restrictions that will be in place. To reduce indiscriminate parking in the area and preserve access for emergency vehicles no waiting restrictions will be in place on some roads.

Should you have any concerns, or have any special access requirements please do not hesitate to contact Nottingham City Council. For more information visit the event website nottingham.com.triathlon.org

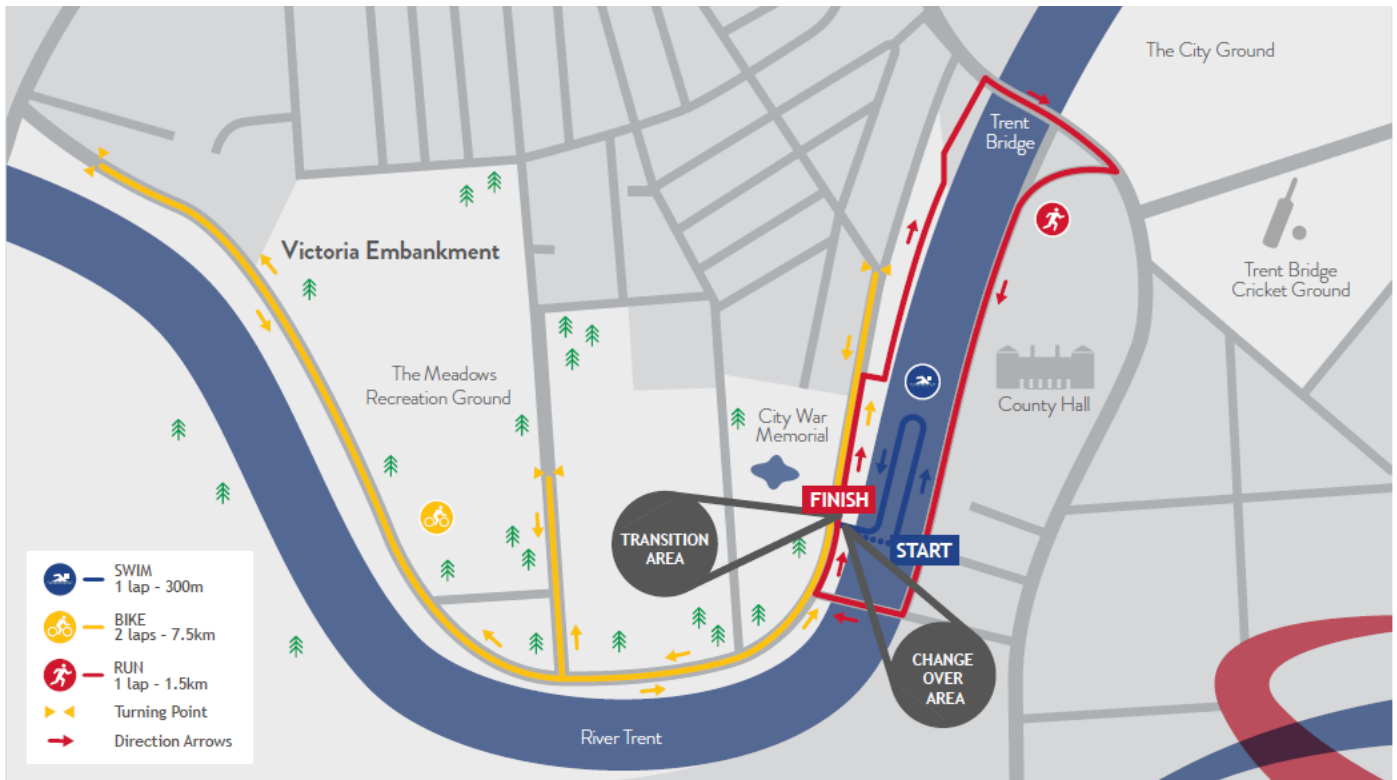

We apologise for any inconvenience over the event period and thank you in advance for your support and cooperation.

The event promises to be a fantastic spectacle, and we do hope that you would consider coming down and enjoying the action.

Yours faithfully

John Muddeman

John Muddeman, Event Officer, Nottingham City Council
