Authorisation to collect the start documents SUZUKI World Triathlon Hamburg presented by HAMBURG WASSER

Start documents can only be collected on presentation of the registration confirmation. If you are unable to collect your starting documents in person, you can authorise a person to collect your documents for you. In this case, please complete the **authorisation form below**. In addition to this authorisation, the authorised person must present **your original registration confirmation**, a **copy of your identity card/passport** and **his/her identity card** at the accreditation. All **disclaimers** must be **signed electronically**. Please note that the documents will only be handed over if the original authorisation is presented by us at the time of accreditation.
