

Form for Transfer of Starting Slot

SUZUKI World Triathlon Hamburg presented by HAMBURG WASSER

Until the online registration deadline on July 1, 2026, the transfer of a starting place must be carried out using the link provided in the registration confirmation.

This form is used for transfers after the online registration deadline: During race packet pick-up on site, a starting place can be transferred to another athlete, subject to a processing fee of €20, until the day before the respective competition.

The transfer of a starting place is only valid if the person originally registered releases it by completing the consent form. A re-registration initiated by the receiving person is invalid.

The current slot holder and the new participant must coordinate the transfer and any associated financial transaction between themselves. Upon receipt of this consent form, the organizer assumes that an agreement has already been reached between the two parties.
