Registration instructions – FIRMENCUP presented by SUZUKI

World Triathlon Hamburg 2026

Step 1:

A representative of the company creates an account for the company. This is done via the link ["FIRMENCUP Company Registration."](#) During registration, a password is set that can be passed on internally to interested employees. This password should only be made available to employees!

In addition, the contact person specifies the company's billing address in the company account. After June 1, 2026, the total invoice for all registered employees will be sent electronically to this billing address. No later than 15 minutes after registration, the person responsible will receive a confirmation email. Changes to the company account can be made at any time under ["FIRMENCUP Firmenregistrierung bearbeiten."](#)

Step 2:

Employees can register independently using the password they have been given. To do this, they use the ["FIRMENCUP single"](#) or ["FIRMENCUP relay"](#) registration tiles. In these forms, employees must select their company and enter the password they have received from their contact person at the company. Employees then enter their own data.

After the first registrations by employees, the person responsible can view and manage all those who have already registered in to the event.

Step 3:

Once employees have registered, they will receive a registration confirmation by email. All changes, rebookings, or cancellations can be made free of charge by employees via the link in the registration confirmation, or by the person responsible for the company in the company account, until June 1, 2026. After that, no further registrations or rebookings will be possible.

Step 4:

After June 1, 2026, the company will receive an invoice for all entry fees for registered employees (please see the Firmencup announcement for prices).

Important information:

Please also note the regular announcement for individual starters and relays with all the conditions of participation, which can be found at www.hamburg.triathlon.org.

Please note the following conditions: All team members must be bound to the registering employer by an employment contract. Only participants who have **NOT** yet registered for World Triathlon Hamburg 2026 can be included in your team. In the event of duplicate registration, the entry fee will not be refunded. It is not possible for individual starters who have already registered to transfer to the Firmencup classification!

All participants must register online by **June 1, 2026**. Registration will no longer be possible after this date. Entry fees will not be refunded. Employees or the person responsible can re-register free of charge until June 1, 2026. If you have any questions, please contact your personal contact person at firmencup.hamburg@triathlond-events.de. Additional bookings such as starting block requests, early check-out, or medal engraving are not possible for the Firmencup as part of the registration process.
