Letter of authorization

HAMBURG WASSER World Triathlon Championship Series Hamburg 2023 – Open Race

The bib number can only be collected upon presentation of the registration confirmation with a legible QR code. If all three participants are prevented from receiving the starting documents personally, the Team Captain can authorize one person to collect the documents for you. In this case, the Team Captain must fill in the **letter of authorization below**. In addition to this letter of authorization, the representative must present **all three original registration confirmations (including a legible QR code)**, a **copy of the Team Captain's identity card / passport** and **his/her identity card** at the time of accreditation. Please note that the bib number will only be handed over if the letter of authorization provided by us is presented in original at the time of accreditation.

This letter of authorization cannot be used for **MINOR PARTICIPANTS**, as they must give their consent to the accreditation by the **legal representative** in accordance with §108 para. 1 BGB (German Civil Code). This consent must be given by the legal representative personally on site. The legal representative must be able to identify himself/herself with identification.
